#46

U.S. News and World Report's 2019 Top Public Schools ranking

www.njit.edu

Founded in 1881 as Newark Technical School and renamed in 1975 as New Jersey Institute of Technology (NJIT), NJIT has grown to become one of America's top universities. It is the first among public universities in New Jersey on post-graduation earnings and is one of the top 100 producers of STEM graduates.

NJIT is one of the United States' leading public polytechnic universities preparing students to become leaders in the technology-driven economy of the 21st century.
